

**COVENTRY GROUP LTD
T/as COOPER FLUID SYSTEMS
ABN 37 008 670 102
WARRANTY**

We provide the following guarantee in relation to equipment and product repairs performed on behalf of our customers by our national workshop network ("Product").

The benefits of this warranty are in addition to any rights and remedies imposed by Australian State and Federal legislation that cannot be excluded. Nothing in this warranty excludes, restricts or modifies any State or Federal legislation applicable to the supply of goods which cannot be so excluded, restricted or modified.

GUARANTEE

We warrant that, subject to the exclusions and limitations below, the Product will be free from defects in materials and workmanship for a 6 months period. The warranty period commences on the date of the sale invoice to the original purchaser. The warranty applies only while the Product is owned by the original purchaser.

If a defect appears in the Product before the end of the warranty period and we find the Product to be defective in materials or workmanship, we will, at our sole discretion either:

- (a) repair the Product (or the defective part of the Product); or
- (b) replace the Product with a product comparable in quality and value.

We reserve the right to replace defective parts of the Product with parts and components of similar quality, grade and composition where an identical part or component is not available.

We reserve the right to change or discontinue our product ranges at any time without notice and without liability.

EXCLUSIONS

This warranty does not apply in the following circumstances:

- (a) Product has been on-sold or assigned by the original purchaser;
- (b) Product has been modified or repaired by someone other than us or our authorised repair agent;
- (c) We cannot establish any fault in the Product after testing and inspection;
- (d) Product has been used other than for the purposes for which it was designed;
- (e) Product has been subject to abnormal conditions, including temperature, water, humidity, pressure, stress or similar;
- (f) The purchaser has used or fitted non-genuine or non-approved parts and accessories to the Product;
- (g) The alleged defect in the Product has arisen due to abuse, misuse, neglect or accident by the purchaser;
- (h) The alleged defect in the Product has arisen due to the purchaser's failure to properly assemble, fit, maintain, use or store the Product in accordance with our recommendations and instructions;

- (i) The alleged defect in the Product has arisen due to the overloading of the Product beyond its specified or recommended capacities;
- (j) The damage to, or failure of, the Product has resulted from contaminated lubricants, greases, fluids, fuels or gases of any kind being introduced to the system in any way by the purchaser;
- (k) Recommended service schedule has not been maintained by the purchaser.

The warranty does not extend to expendable parts or the replacement of parts due to fair wear and tear.

HOW TO CLAIM

Any warranty claims together with proof of purchase and full details of the alleged defect must be forwarded to the address listed below.
