Water Spray Head Valves

1019D (MX80-US P/#)

Air Operated, Water to Open
Air to Close, 3" Inlet, Single Acting

1019H (MX80-H-US P/#)

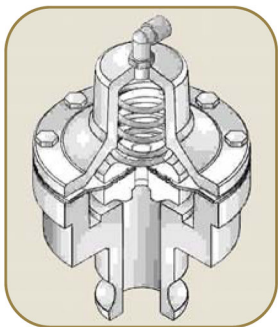

Hydraulically Operated, Water to Open
Hydraulic Oil to close, 3" Inlet Single Acting

1019-DA-H (MX80-DA-H-US P/#)

Hydraulically open
Hydraulic oil to close
3" Inlet, Double Acting

- 3" (80mm) BSPF inlet mount - Standard
- 3" (80mm) Weld on inlet mount - Standard option (WO)
- Optional : Camlock / Victaulic / Stortz Mounting Available
- 360 GPM (1350L) - Maximum setting standard outlet flow
- 360 Degree Valve angle adjustment

MMV/B

Air Operated
1 1/2" Inlet

MMV/B-H

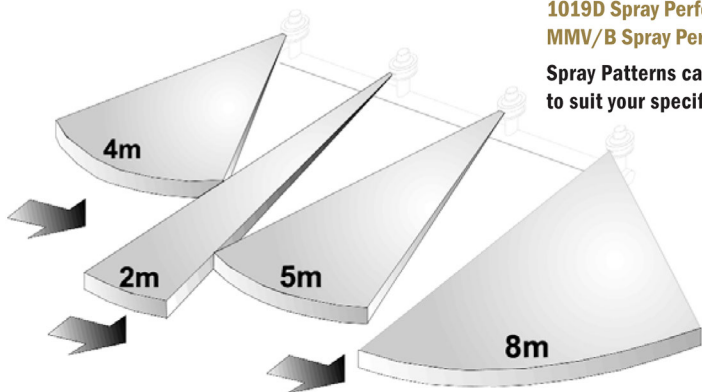

Hydraulically operated

- 1 1/2" (40mm) Camlock (male) inlet mount - Standard
- 1 1/2" (40mm) Victaulic inlet mount - Standard option (- RG)
- 360 Degree Valve Angle Adjustment
- 150 GPM (565 L/Min) - maximum setting standard outlet flow

1019D Spray Performance MMV/B Spray Performance

Spray Patterns can be customised to suit your specifications

Track Crawler

TRACK POWERED WATER CANNON

Hydrostatic track drive for ALL Terrain operating conditions

- optional track chassis configurations
- 10 H.P. electric start diesel engine powered - 10 H.P. standard
- Radio Frequency (R.F.) joystick controlled +200 metres operating range

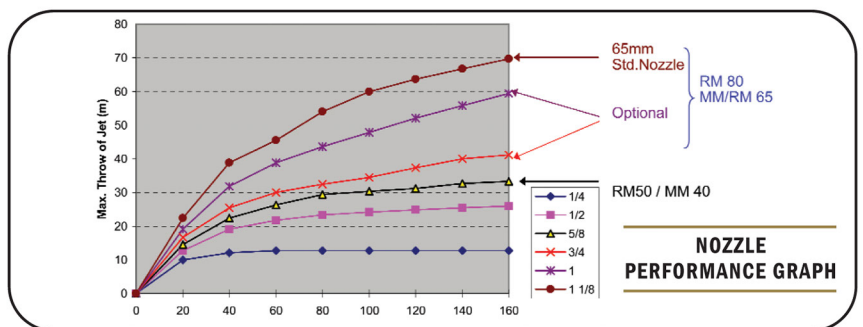

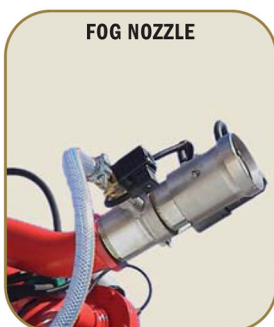

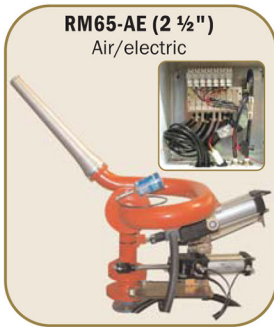

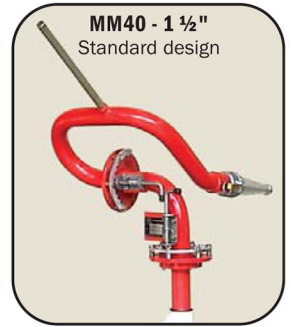

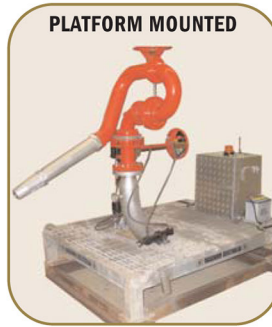

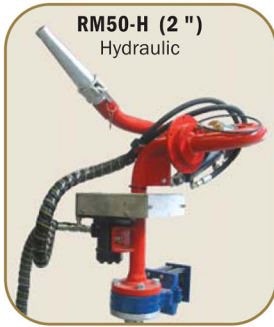

WATER HOSE REEL

- Heavy Duty Manual & Hydraulic Heavy duty polymer spool and discs - non corrosive
- Positive heavy duty locking mechanism to prevent hose from unwinding
- Heavy duty A frame for easy and safe mounting - galvanised or s/steel
- Heavy duty crank handle (stowable) for manual operating models

Remote RM Range

Offering custom design units & systems to meet specific client demands for all applications on request

Cabin Switching Manual MM Range

Water Tanks

TRAILER MOUNTED 2000 Ltr

BOGIE DRIVE 13KL/15KL

SINGLE AXLE 8000 Ltr

OFF ROAD Articulated Rigid Standard sizes and configurations
Ex Stock custom design upon request

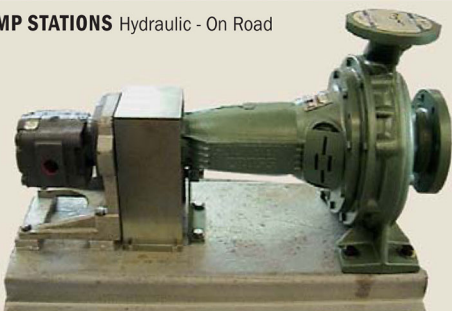

TWIN STEER 20KL

DROP IN TANKS
6000 & 10,500 Ltr

PUMP STATIONS Hydraulic - On Road

PUMP STATIONS MINING

Petrol & Diesel
- Pump stations
to suit all
truck models
- on road
/off road vehicles

DISTRIBUTION

USA - Warehouses
- Nevada/Idaho
SOUTH AMERICA - Chile - Peru
INDONESIA - Jakarta
NEW ZEALAND - Auckland
AFRICA - Ghana
NEW CALEDONIA - Noumea
AUSTRALIA
- All States Represented

*Product available
- Ex Stock Warehouse
