

Design, install, maintenance and supply of hydraulic, lubrication, fire suppression, refuelling and fluid dispensing systems and components.

ZZ9A2 High-Flow Refuelling Nozzle

Features include:

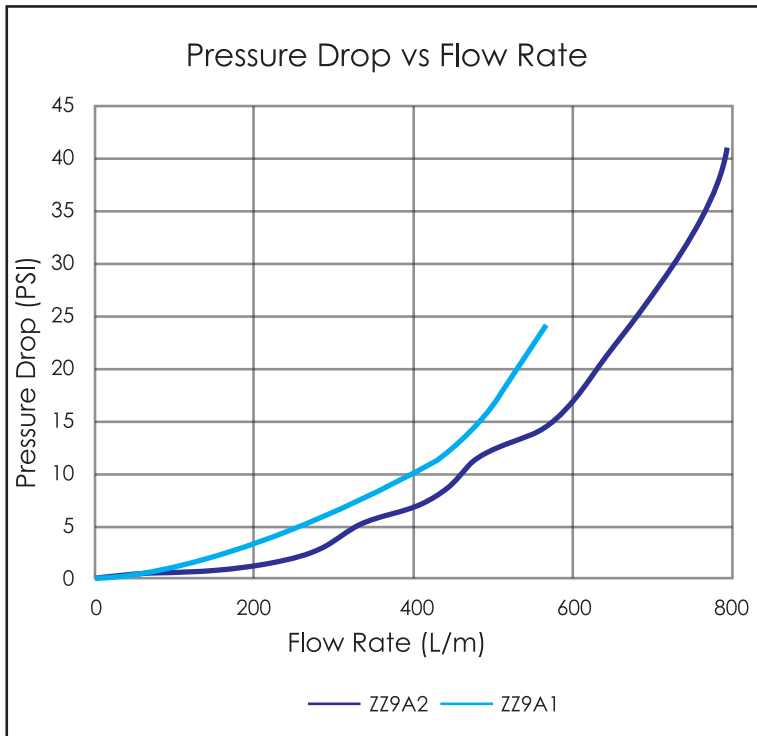

- Polymer Elasto-dog coupling
- Lightweight design (2.6kg)
- Interchangeable with standard receivers (< 800L/m)
- 2" NPT(F) inlet

* Unit price is ex GST. Valid until 30/04/2019.

Benefits:

- Reduce damage to receivers
- Improved flow path = reduced pressure drop
- Improve operator safety

Associated Components

ZS215	2" NPT(M) - 1-1/2" NPT(F) swivel
ZS200	2" NPT(M) - 2" (NPT)F swivel
3NRB5040	2" NPT(F) - 1-1/2" NPT(M) Reducing Bush

Spare Parts

ZZ9A2-K	Service Kit
ZZ9A2-84P	Handle
ZZ9A2-03P	Actuating ring & dust plug
KR92	Latching mechanism

DESIGN, INSTALLATION, MAINTENANCE, REPAIR AND SUPPLY

HYDRAULICS

- Hydraulic hose, fittings, couplers & adaptors
- Supply, repair & manufacture of hydraulic cylinders
- Pumps, motors & valves
- Inline & offline filtration systems
- Breathers, diagnostic equipment, accumulators & accessories
- Electro-hydraulic power units
- Testing / repair of pumps & motors
- Workshop & on-site diagnostic services

LUBRICATION & REFUELLING SYSTEMS

- Automatic lubrication systems
- Pressurised & non-pressurised refuelling systems
- Piston & diaphragm pumps
- Spring, pneumatic & hydraulic rewind hose reels
- Service truck manufacture & fit out
- Dry break service fittings (inc. colour coded)
- Flow meters
- Workshop / fuel farm dispensing systems
- Specialty lubricants

TOOLING

- High force lifting equipment
- Heavy vehicle jacks
- Pneumatic, hydraulic, electric & battery torque wrenches
- Presses, nut splitters & flange maintenance tools
- Onsite audits & calibration

FIRE SUPPRESSION

- AS5062 certified fire systems
- Fluorine free foam (F3)
- Maintenance on all systems (AS5062 compliance)
- Fire extinguishers & brackets

MISCELLANEOUS

- Pneumatic fittings & couplings
- Spray heads & water cannons
- Pneumatic filters, regulators & lubricators
- Pneumatic valves & actuators
